The Adventures

of Smiley Fifth Issue

The Author

This is the Smile house in summer. Within her walls live George, Helen, and David Smile. The father, George Smile, is the son of Korean War veteran Charles Smile who was baptized Innocent in 1963, and Anastasia Smile (maiden name Kirilnikov), a refugee from the USSR fleeing religious persecution. The mother, Helen Smile, is the daughter of Greek immigrants Konstantinos and Maria Spirodakis. Our hero, David "Smiley" Charles Smile, became their first-born son on August 13th, 1992. Today is Tuesday, December 29th, 1998. Our hero is currently in his room playing with his Furby.
